## Guest Speaker

**Dr. Ray Rempt** was significantly involved in the Jesus Movement of the 60's and early 70's, where he worked in Orange County at

various schools, at colleges, universities, churches, and many para-church organizations. Ray is associated with Calvary Chapel. He became connected with Youth With A Mission (YWAM) at the Munich Olympics in 1972, and since then has been a regular speaker at YWAM schools and base meetings. Ray teaches in many parts of the world, in churches and universities, in camps, conferences, rallies, and other special functions.

Ray studied physics and received a Ph.D. from UCLA in 1969. He was the first student there to receive the degree "with distinction". He has performed original research in atomic and molecular physics, optics, fiber optic sensors, magnetic detection and other disciplines. Ray is currently a technical fellow in the Boeing Company's Physics department, working with various advanced concepts and sensors.
